### Online Resources

Greendale Public Library subscribes to many online resources designed to help you with your informational needs. Free access to these resources is available to Greendale residents for use in the Library or from your home or office via the Library's web site [www.greendalepubliclibrary.org](http://www.greendalepubliclibrary.org).

---

### E-Books

Digital ebooks are available via the CountyCat subscription to netLibrary and are available to be read online through a Web browser at any public library in Milwaukee County. The MCFLS collection of netLibrary ebooks can also be accessed and read remotely by any library card holder

### **WATTS UP? Power analyzer and watt meter**

The Greendale Public Library now has our own Watts up power analyzer and watt meter which is an electricity monitor. It is a state of the art digital microprocessor, which measures both voltage and current measurements for true power. It will measure any 120 VAC appliance. The meter will be shelved at the Circulation desk and can be checked out for one week. Any questions can be directed to the Circulation staff or to the Reference Librarian.

---

### **Magnification System**

The Greendale Public Library has a video magnifier for public use. The VideoEye Power Magnification System enlarges any item onto the 27 inch screen in black and white or color, allowing patrons to see whatever they bring in more clearly: newspapers, mail, prescription bottles, etc. We would like to thank the Greendale Lions Club for their generous donation of this equipment.

### **E-Mail Your Information Questions and Reserves**

In addition to Ask?Away, which is intended as an off-hours service, you can also email information questions or reserve requests directly to our Information Desk. We check our e-mail once an hour and respond as time allows. Reserves will be entered on your record and the library will notify you when your material is available for pick up.

[Click here to email your information questions and reserve requests to our Librarians.](#)

Remember, you can place your own reserves on the web through the Library's online catalog [CountyCat](#).

---

### **Homebound Library Services**

The library offers homebound delivery of library materials to Greendale residents unable to visit the library in person. For more information about our Homebound Delivery Service, [click here to view our brochure](#). To view the application and eligibility rules, [click here](#).

### **OverDrive Downloadable Media Collection**

As a member of the Wisconsin Public Library Consortium, Greendale Public Library is pleased to offer OverDrive Media. OverDrive allows you to select and download audiobooks, films and music to play directly on your home computer, play on an MP3 or iPod player, or burn to a CD.

**NEW:** ebooks for Sony Reader now available! With downloadable media available 24/7, the library is always open! [Learn more about OverDrive here](#).

---

### **The Collections**

The Greendale Public Library carries a wide variety of materials for adults -- the latest bestsellers, hardcover and paperback books, large print books, newspapers, magazines, audiobooks, DVDs and compact discs. A listing of Greendale materials as well as materials owned by all of the public libraries in Milwaukee County may be found on our online catalog - [CountyCat](#).

---

### **Readers Advisory**

The Librarians at the Information Desk are always willing to help patrons find something to read. Displays of books, both new and older, are available for the public to browse. The Library has many guides and books designed just for helping the reader determine what they would like to read next. Be sure to stop by and ask the Librarian for reading suggestions!
